

MISSION/VISION

MISSION: Leading people to move one step closer to Jesus Christ every day

VISION: To become a church fully committed to reaching the unchurched

FAMILY MIN

LITTLE SAFARI

For kids birth-5 years old – “Where kids can get wild about God.” We want parents to understand that we value your children & strive to provide environments help them grow & are engaging for kids. We have awesome volunteers who care about your preschoolers & want you to have an worry-free experience in the Auditorium.

VELOCITY

For kids in K-5th grade – “Because life moves fast”. We strive to provide a relevant, engaging, fun, & safe environment for our VELOCITY kids. But we also want to partner with you – the parent. We’re committed to being the best resource we can be to your family & give out weekly resources to ensure that.

TRANSIT

For students in 6th-8th grade (@ 10:45a) – “Because transitioning from a kid to a teen is hard”. Not only is TRANSIT a blast with relevant teaching & fun games, but we want students to have a group of friends to do life with & a SG Leader guiding them

INSIDE OUT

For students in 9th-12th grade (@ 4:00p) – “Because living out what we believe on the inside is a big step”. Not only is INSIDE OUT a blast with relevant teaching & fun games, but we want students to have a group of friends to do life with & a SG Leader guiding them through all the things that come with making decisions as a high school student.

WHAT'S HAPPENING @ CORE

FIRST TIME VISITORS

If you're joining us for the 1st time, we want you to know how privileged we feel that you've chosen to take a chance on us. We get it... it's not easy to walk into a church for the 1st time. But because you did, we want to do something to say THANK YOU. After the service, we'd love for you to stop at our "Connections Booth" in the corner of our lobby. We've got a "1st Time Visitors" pack filled with a bunch of great stuff for you. If you ever need anything or have questions, don't hesitate to find a person wearing a RED lanyard.

GRADUATION SUNDAY

Another school year is coming to a close. Another set of Seniors are ready to embark upon a new chapter of life. But before they take this new, exciting step, we want to take a moment and celebrate their current achievement. On Sunday, May 25, we will be celebrating all of our high school graduates. We are so excited for what is to come in each of these student's futures. If you are a high school senior that would like to be involved in this day, please email us at dbraun@corecommunitychurch.com.

MOVE UP SUNDAY

Move Up Sunday is happening on Sunday, June 1. Kids & students will officially move up to their next grade and environment on this day. We're doing things a little bit different this year, as we're moving everyone up at the beginning of summer. We want our kids & students to have something new & exciting to look forward to over the summer. This will be an exciting day of kids transitioning from the LITTLE SAFARI into VELOCITY, from VELOCITY to TRANSIT (6-8th grade), and TRANSIT to INSIDE OUT (9-12th grade). All promotion changes will happen at the Check-In Desk as your child checks into their environment on this day.

NIGHT OF WORSHIP

Do you ever feel worn out, exhausted, & like you're running on empty? Ever feel like we're constantly running our kids in a million directions, dealing with emergencies at work, figuring out jam-packed schedules, & never quite finding enough time to focus on the most important relationship in our life? This is an opportunity to recharge in the middle of your week & the beginning of a new month. There will be some special elements through the service designed to help you recharge & refocus. Come out to Core on Tuesday, May 13 @ 7:00p for a "Night of Worship". This is an incredible way for you & your family to refocus on what's most important. Childcare will be provided.

NEXT STEPS @ CORE

BAPTISM

Baptism is an important step for every person who follows Jesus Christ. It is an opportunity to publicly declare your faith in Jesus Christ and follow His example of being baptized. Baptism is a way to show the change Jesus Christ has made in your life.

COMMUNITY GROUPS

Community Groups are an opportunity to join a group of people in a similar stage of life as you. At Core, we believe that no one is meant to do life alone and that spiritual growth happens best in circles, not in rows. Find a group to do life together with. To get more info on a group, visit our website & click on the NEXT STEPS tab.

GIVING

Everything we do at Core Community Church is made possible through the incredible generosity of people here. If you are new to Core, we don't want you to feel any obligation to give. At Core, we believe giving is an incredible way to trust God with your finances. It is a way for us to give back what He has given us to ensure lost people are being reached in our community and around the world. At Core, we are committed to being great stewards of the money entrusted to us. We offer ONLINE GIVING for your convenience. You can give online by visiting our website (corecommunity.church) and click on the NEXT STEPS tab. GIVING BOXES are located at the back of the Auditorium.

GLOBAL IMPACT SPONSORSHIP

One of our big "Global Impact" initiatives is our partnership with 2 Care Points around the world—one in Guatemala (Puerta de Esperanza) and one in Uganda (Odudui). Our Care Points service over 300 kids with food, healthcare, school supplies, schooling, clothing, and other necessary needs. Core sponsors 125+ kids at our Care Points. For more info, visit hopechest.org/puerta-de-esperanza/ or hopechest.org/odudui.

SERVING

At Core, we value service. We believe that our church is stronger with everyone working together. One of the best ways to get connected & grow in your relationship with Christ is through serving on a ministry team. There are multiple areas to get involved & we are always in need of new, excited volunteers! If you would like more info, grab a "Put Me In Coach" card in the seat pocket in front of you, and drop it in the GIVING BOX.
